

THE UNIVERSITY OF CAMBODIA

The University of Cambodia is forward-looking and committed to academic excellence.

It prepares students to address the increasingly complex issues facing them in society and to discover meaning in their own lives. It encourages diversity in its student body and meets the needs of students by providing them with interdisciplinary and innovative undergraduate, graduate and professional courses. The university energetically and dynamically seeks ways to interact with and to serve the needs of the student body.

Students attending the university can pursue a degree at all levels – Bachelor's, Master's and Doctoral – and can choose from a variety of majors in the following colleges:

- 📖 Arts and Humanities
- 📖 Education
- 📖 Law
- 📖 Management
- 📖 Science and Technology
- 📖 Social Sciences

It strives to provide quality education for students to develop critical, analytical and creative thinking so they can make well-founded and ethical decisions and be part of an informed citizenry. The university promotes academic excellence at the national, regional and international levels and responds to the call for interdisciplinary research, teaching and training, by rethinking the structure and purpose of higher education in Cambodia.
